

# NITOR INC

Cage Code: 5C3N7  
Duns Number: 019849242  
[www.nitorinc.com](http://www.nitorinc.com)

## **NITOR INC is a Service Disabled Veteran, Woman owned firm**

**We offer custom IT development services in niche areas. We have solid expertise and well-resourced teaming partners with a proven track record of delivery in our focus areas. Our niche focus areas are**

- A) Install, Integrate, Support Nursing Call Systems (West-Com, Rauland, Vocera)
  - B) Enterprise Mobility and Development solutions with Integrated IAM (Identity and Access Management) services.
  - C) CYBER assessments and NIST RMF Accreditation.
  - D) MAXIMO Asset Management and Integration.
  - E) Cloud build solutions with Integration of IAM F) Network Infrastructure Installation and Support Services
- 
1. NITOR has assembled a very talented technical team who are actively engaged in defining the service and solution offerings of NITOR. They are available to participate in client solution development and engagements based on the project resource needs, focus areas and skill sets.
  2. The team members have solid past experience in their focus areas. NITOR INC has teaming agreements with all its partners and SME's. KSOFT Systems, EXOR Solutions, CABEUS Solutions are our core partners to work on civilian and federal projects.
  3. NITOR has partnerships with West-Com for Nursing Call systems and with IESCOMMS for Network Infrastructure projects
  4. Our collaborative partnerships and in-depth expertise is the key strength and differentiator for NITOR INC. We have flexibility to scale our U.S and offshore site resources.
